

## EMSO ERIC

### Vacancy details

### Sought position (ENVRIplus Project Manager)

ENVRIplus Project Theme and WP Manager of the EMSO ERIC, (European Multidisciplinary Seafloor and Water-Column Observatory European Research Infrastructure Consortium).

The European Multidisciplinary Seafloor and water- column Observatory (EMSO) is a Research Infrastructure at fixed-point monitoring nodes connecting European marine research facilities: from the Arctic, through the North Atlantic, to the Mediterranean and the Black Sea. It currently comprises 11 (eleven) open ocean facilities and 4 (four) shallow water test sites (see [www.emso.eu](http://www.emso.eu) for details).

EMSO is a new European Institution set up as an ERIC (European Research Infrastructure Consortium) by decision of the European Commission (September 29, 2016). Its Members are currently States from the European Union although it is open to external members.

Application deadline: December 5, 2018

Start date: December 2018

Type of contract: fixed-term professional consulting contract

Duration: December 2018 - July 2019

Required effort: 2,5 full time equivalent (FTE)

Max. Gross remuneration: 14,000 Euro inclusive of all contributions required by Italian tax regulations. Any additional transaction costs will be charged to the consultant except all authorized travel expenses to be reimbursed by EMSO ERIC.

Employer: EMSO ERIC Location: EMSO ERIC Head Office in Rome, Italy

Responsible to: EMSO ERIC Director General and EMSO ERIC Central Management Office.

#### General Summary:

EMSO ERIC is a partner of ENVRIplus, a Horizon 2020 project bringing together Environmental and Earth System Research Infrastructures, projects and networks together with technical specialist partners to create a more coherent, interdisciplinary and interoperable cluster of Environmental Research Infrastructures across Europe. The project will be completed in 2019. EMSO ERIC seeks a fixed term consulting position of Theme and WP Manager for the ENVRIplus Project who will:

- Manage the Executive ENVRIplus Board activities and the WP (Citizen Observatories and Participative Science) levels
- Write and editing of final reports related to the above-mentioned tasks
- Update and disseminate relevant project deliverables
- Review and track of final versions of the deliverables
- Participation and support to the management of the Executive Board, of the Dissemination activities and of ENVRIWeek meetings
- Weekly report to the DG of EMSO ERIC

Applications for the position are encouraged from citizens of the European Union and Associated Countries.

Required qualifications & competencies:

- education: Ph.D. in an earth/ocean science or related discipline in international interdisciplinary earth/ocean science networks
- significant scientific communications and outreach experience, including scientific publications, reports, policy briefs, public communications, websites
- executive management experience in European Research Infrastructures management and activities
- knowledge of ethical issues pertaining to European Research Infrastructures
- excellent communications and public relations skills;
- excellent written and spoken of two European languages including English
- editorial level written English with extensive relevant writing experience and professional public speaking skills
- ability to work under pressure and handle multiple problems simultaneously
- ability to coordinate the efforts of teams internationally

Desirable attributes:

- experience in the European Research Area and in the international arena;
- knowledge of international marine research institutions, organizations, Infrastructures and other relevant bodies.

### Working Conditions:

- the main place of work will be the EMSO ERIC Headquarters in Rome, Italy
- duties will entail travel within and outside Europe;
- occasional work and travel on weekends and holidays may be required even on line;

### Selection Procedure:

- Applications should be addressed to the Director General of EMSO ERIC and submitted by email to [recruitment@emso-eu.org](mailto:recruitment@emso-eu.org), including a single pdf file comprising CV, cover letter;
- the deadline for submission is December 5th, 2018 midnight, Rome local time;
- any specific enquiries about this job posting should be sent to [recruitment@emso-eu.org](mailto:recruitment@emso-eu.org), specifying the term of the sought position
